

Charles W. Southworth

63 Shirley | Winthrop, MA 02152 | 617.733.6265 | cws@media-forge.com

As an interactive project professional I create real world connections and solutions through digital and media products. I enable teams to make outstanding web, creative media, and interactive products through vision, insight, and adaptive thinking. With good management, hard work, and innovative ideas I lead teams and manage projects above expectations.
